

Refuse Collection / Kerbside Recycling

Household waste, paper, card and plastic recycling but not glass is collected weekly on a Monday

Garden refuse in wheeled bins is collected fortnightly on a Monday but please note this is a charged service.

[A new service will start in South Oxfordshire in June 2009](#)

What the new service will include:

- weekly separate food waste collection in a kerbside bin
- fortnightly residual waste collection in wheeled bins
- fortnightly collections of dry recyclables in wheeled bins (including glass)
- garden waste will remain fortnightly in wheeled bins (charged for service)

To find out more contact the waste and recycling team on 01491 823416 or email environmental.services@southoxon.gov.uk

Community Waste

<http://www.southoxon.gov.uk/ccm/navigation/environment/recycling--rubbish-and-waste/>

Community waste vehicles (skips) collect domestic waste from the four main towns and nine rural villages in South Oxfordshire. This service is for larger items of household waste, such as broken furniture, that cannot be collected by the kerbside collection.

Town community waste schedule

The table below shows the relevant Saturday collection day of the month for the main towns. The community waste vehicles are on site from 8am -12pm.

Saturday of the Month	Town	Town
1st Saturday	Thame - Cattlemarket car park	Didcot - High Street car park
2nd Saturday	Wallingford - Goldsmith Lane car park	Henley - Station car park
3rd Saturday	Thame - Cattlemarket car park	Didcot - High Street car park
4th Saturday	Wheatley - Primary School	Henley - Station car park
5th Saturday (if applicable)	Wallingford - Goldsmiths Lane car park	

Village community waste service

Follow the link below to find the new community waste schedule for villages.

- [Interactive community waste service map](#) (this will open in a new window).

Please note, the community waste vehicles cannot collect household electrical items, garden waste or hazardous material such as paint and batteries.

Asbestos, car batteries, oil/oil cans, gas cylinders, paint/paint tins and tyres can only be disposed of at one of the County's Waste Recycling Centres.

[Redbridge](#) - Old Abingdon Road, Oxford, OX1 4XG

[Oakley Wood](#) - Henley Road, Crowmarsh, Nr Wallingford, OX10 6PW

[Drayton](#) - Steventon Road, Drayton, Nr Abingdon, OX14 4LA

Fridges and freezers cannot be disposed of at the community waste vehicles, as they contain harmful CFC's which need to be removed before disposal. The Council can [collect fridges and freezers](#) from your home for a small fee.

How to dispose of unwanted electrical items

Community waste vehicle service will no longer collect electrical items, and we advise you not to dispose of these items through your normal rubbish collection. Our aim is to prevent electrical waste being landfilled and harming the environment.
